

METROPOLIS OF ATLANTA COMMUNICATIONS

In order to enhance and improve communications throughout our Metropolis, and to avoid duplications, we are requesting copies of your current Parish directory, in any format, including email addresses. If you have the directory in an Excel document, we can import it directly into our database. (Eventually we hope to be able to mail copies of Diakonia Magazine and email the Metropolis Messenger to all our Metropolis family.)

THE METROPOLIS MESSENGER

a weekly e-mail Newsletter sent to over 3,000 subscribers with a message from His Eminence Metropolitan Alexios, news, announcements, calendars, sermons and writings by our Metropolis Clergy. Also available on the website.

DIAKONIA MAGAZINE

Published quarterly by the Metropolis of Atlanta and distributed to all the Parish communities. The current issue is in your Parishes now. Interesting and thought-provoking articles by our Clergy and laity with news of our Metropolis. Also available on the website.

We welcome articles, news, information and announcements or to contact us about submissions, sponsorships, or subscriptions.
